

Sayyid Al-Hakeem: Iraq possesses historic success chance with financial abundance, social security stability

With the spring holidays, Sayyid Ammar Al-Hakeem, head of Al-Hikma National Movement, attended to congratulate the Sabian Mandaean on the Feast of the Creation of the World (Bronaia), and wish them blissful days on 17/3/2023. His Eminence lauded them as they are an original component that enriches society culturally and ideologically.

H.E. reiterated his call to manage diversity in Iraq and invest in the Iraqi components to reach out to the peoples of the world. Lending the role played by Sheikh Sattar Al-Hilou to connect the Sabians of the world to Iraq, illustrating that Iraq has a chance to really succeed due to the relative financial abundance and social and security stability, calling for optimism and spreading positivity.
