Sayyid Al-Hakeem Reaffirms Government Anti-Corruption Support, Administrative Reform Efforts

His Eminence Sayyid Al-Hakeem, Head of the National State Powers' Alliance and Leader of Al-Hikma National Movement, met at his office in Baghdad on the morning of Saturday, July 4, 2026, with the Secretaries of Al-Hikma National Movement, where discussions addressed developments in Iraq's political, economic, and social landscape, as well as upcoming national milestones.

H.E. commended the efforts of Al-Hikma National Movement's secretaries and organizations in holding the Ashura season, expressing appreciation for the organizational and service efforts that contributed to the success of this occasion.

H.E. affirmed the importance of continuing to provide services to citizens through available means, and strengthening coordination with local governments in a way that helps meet citizens' needs and serve the public good.

H.E. stressed the importance of maintaining continuous communication with Al-Hikma National Movement's organizations, supporting and empowering them, and working to meet their requirements, affirming the need to move from a phase of influence to a phase of wide-scale outreach, and to promote awareness of Al-Hikma National Movement's project and its vision aimed at improving conditions in Iraq across various fields.

On government affairs, H.E. reaffirmed Al-Hikma National Movement's support for the government in its reform path and its anti-corruption efforts, calling for reforming the administrative landscape, adopting automation across state institutions, diversifying sources of income, and expanding oil export outlets, in a way that helps overcome financial challenges and strengthen economic stability.
