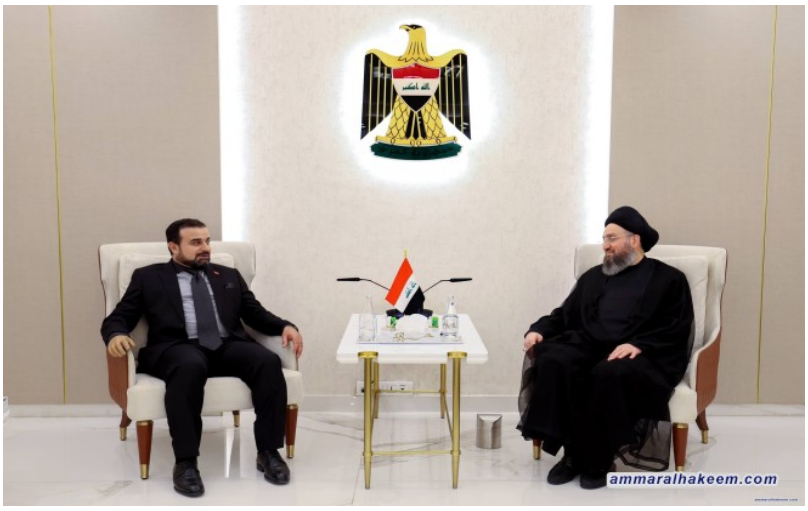
Sayyid Al-Hakeem Commends Iraqi Paralympic Committee Achievements, Urges Supporting Athletes with Disabilities



His Eminence Sayyid Al-Hakeem, Head of the National State Powers' Alliance, received at his office in Baghdad a delegation from the Iraqi Paralympic Committee, commending the achievements attained by athletes with disabilities, and their role in raising Iraq's name high in international forums.

H.E. called for providing the necessary capabilities for this segment of society, from stadiums to sporting equipment, affirming the necessity of caring for them, empowering them, and working to fulfill their aspirations, pointing to the importance of preparing for upcoming championships and striving to secure top positions.
