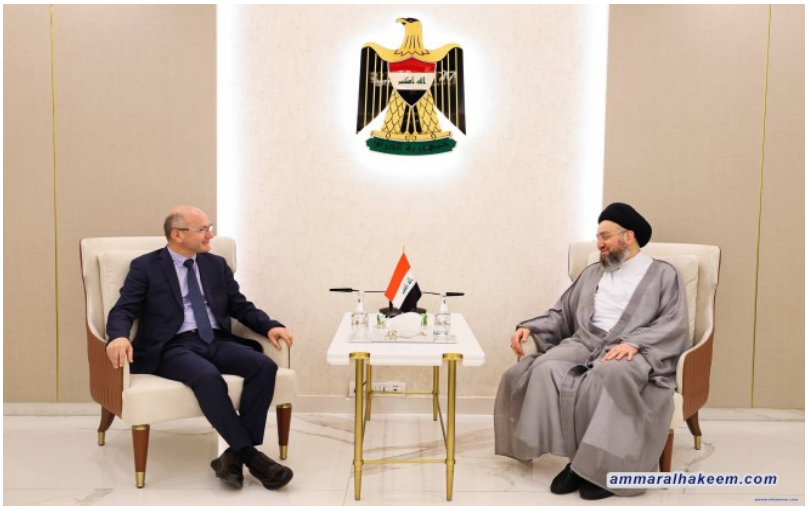
Sayyid Al-Hakeem Urges Expanding Iraqi-Turkish Vital Sectors Cooperation



His Eminence Sayyid Al-Hakeem, Head of the National State Powers' Alliance, received Dr. Kadir Temiz, President of the Center for Middle Eastern Strategic Studies (ORSAM), and the accompanying delegation of academics and researchers from the center.

During the meeting, emphasis was placed on the files of shared interest between Iraq and Turkey, such as the security, economic, and social files, as well as the water file, with particular focus on the Development Road project.

H.E. affirmed the importance of establishing partnerships with Turkish companies in agricultural projects and the development of the agricultural sector, calling for studying each of these files separately and with precision, in addition to opening the way for public diplomacy between the two friendly and neighboring countries in order to consolidate common ground between them.
