

## **During the Eight Ramadan Night, Sayyid Ammar Al Hakim Stresses the Importance of Planning and Using the Appropriate Method and Tactic to Achieve Victory and Succeed in Different Fields**

Sayyid Ammar Al Hakim, head of the Islamic Supreme Council of Iraq, stressed the importance of planning and choosing the right timing and method and appropriate tactics to achieve success, victories and gains in different fields, calling on the officials to stay away from narcissism, arrogance and positions that could lead the people and society to look down on them. His eminence mentioned the status and hegemony that Dhul-Qarnayn was able to reach through his belief in God the Almighty, the courage and justice that characterized him as indicated by the Almighty in His holy book.

This came during the eighth night of Ramadan held at his eminence's office in Baghdad on Sunday, June 28, 2015.

Moreover, Sayyid Ammar Al Hakim pointed out that Dhul-Qarnayn used many right criteria in making his achievements, explaining that he used the principle of reward and punishment, he adopted a patriotic behavior and participated with all components of his people in building his state and just dominion. He engaged them in achieving the victories and made them feel how important they were to encourage them to hold on further to the project, and he also cared for all the categories of his people, especially the vulnerable. His eminence finally mentioned that security and stability are the priorities in building the state and achieving development.
