

Sayyid Ammar al-Hakim: ISIS is Targeting the Followers of Ahlul Bayt

Sayyid Ammar al-Hakim, Head of the Islamic Supreme Council of Iraq, affirmed that the followers of Ahlul Bayt are targeted by terrorism for belonging to them and they have no choice other than terrorism but killing. He noted that this doctrine was promoted by a media that has nothing other than targeting Ahlul Bayt.

This came in the sixth night of the commemoration of Imam Hussein (pbuh) that was held at His Eminence's office in Baghdad on Monday 18/10/2015.

His Eminence warned from the opportunists and their danger on the missionary project, noting that they know when their interests intersect with the religion and they prefer the self interest. His Eminence pointed out also that such people lack human values.
