

Sayyid Ammar Al-Hakim discusses with General Secretary Badr Organization Mr. Hadi Al-Amiry redeveloping and updates of security plans encountering organized crimes

Chairman Supreme Islamic Council in Iraq (SICI) Sayyid Ammar Al-Hakim emphasized the importance of updating and redeveloping security plans and procedures to encounter organized crime, calling to maintain the momentum of triumphs against ISIS.

-His eminence and during his meeting with General Secretary Badr Organization Mr. Hadi Al Amiry at SICI Baghdad office, on 20 January, 2016, renewed his condemnation to Al-Muqdadia incidents and demanded for intensified security efforts to control similar incidents. His eminence indicated that Iraq is in need of unity among Iraq people which is the responsibility of all at which each Iraqi individual is responsible of his role in keeping this unity, because only them are able to defeat terrorism without seeking assistance from any other sides.

During the meeting, his eminence and Mr. Al-Amiry also discussed political development, governmental reformations and Iraqi security forces and Popular Mobilization Forces triumphs

against ISIS.
