

Sayyid Ammar Al-Hakim participates in celebrating the victory of the Islamic revolution of Iran

Chairman Supreme Islamic Council in Iraq (SICI) Sayyid Ammar Al-Hakim participated in celebrating the thirty seventh anniversary of the Islamic revolution in Iran victory held at Baghdad Iranian embassy on February 11, 2016.

\r\n

His Eminence praised the Islamic revolution of Iran that was raised by the deceased Imam Rohallah Khomeini (sanctify his soul) that contributed in the renaissance of Iran as a state with capabilities in security, politics and science , explaining that it was a revolution that gave justice to the oppressed upon the oppressor and overthrown one of the most vicious tyrants of history.
