Chairman of the Islamic Supreme Council of Iraq pointed to the need to learn a lesson from the destruction of the oppressors without gloating over their defeats, stating that Fallujah would be a start mark for the liberation of Mosul and all remaining inch of Iraqi soil, noting that ISIS will repudiate on whom had supported and financed them politically, financially and in

mass media, because ISIS are plotting evil; but the evil plot does not encompass except its own people, this is God\'s promise and God\'s ways of life in his creation, pointing to the need to fight the oppressor who insists on his injustice until defeating the unjust, and who have the upper hand have the power give forgiveness to those who show their regret for what they had done.
