

Sayyid Ammar al-Hakim calls for giving attention to scientists and terminating proxy positions of principals and deans in universities and colleges

Head of the National Iraqi Alliance, Sayyid Ammar al-Hakim, called to give attention for Iraqi scientists and support them and work on the return of emigrants, urging the Iraqi Ministry of Higher Education and Scientific Research to end the issue of appointing acting deans and university's principals, and to give trust the most efficient, provide opportunities for them to fill positions that are not properly managed.

\r\n

This took place during his eminence meeting with Minister of Higher Education and Scientific Research and acting Minister of Finance, Mr. Abdul Razzaq al-Issa Thursday 11/5/2017.

\r\n

His eminence stressed the importance of interlinking work between state institutions and scientific research centers in universities, as well as communicating with the Iraqi House of Representatives and the relevant committees to conduct coordination to prepare laws needed by the Iraqi state, indicating the importance of providing funds to complete the projects that accomplished 80% or more of completion.

\r\n

His eminence stressed on empowering the Ministry of Finance staff to counter financial and administrative corruption, and called to increase government's incomes through proper application of laws and legislations taking into account fairness of application. His eminence stressed to counter negative occurrences in universities and stressed on the importance of immunizing university students and invest their potentials for their own benefit and to serve their future.
