

AL-MAR'A AL-MUKARRAMA

(Honored Woman): a group of lectures and speeches of His Eminence Sayyid Ammar al-Hakim through which His Eminence casts a look at the tragic reality lived by woman during lengthy historic epochs and in various parts of the world, explaining the lofty Islamic outlook towards woman and her great role, stressing woman's axial role in the movement of the society and of humanity, especially the excellent role of the Iraqi woman through her lengthy struggle against dictatorship in Iraq and her tolerating twice the difficulties and suffering side by side the man. His Eminence dedicated a large area in it to the rejection and the resistance of violence against woman.
