

## Sayyid Ammar al-Hakim meets Minister of Agriculture Falah Al-Zaidan

Head of the National Iraqi Alliance, Sayyid Ammar al-Hakim, met Minister of Agriculture Falah al-Zaidan Monday 9/4/2018

His eminence with Zaidan discussed the recent political situation, and status of agriculture, stressed the importance of making preparations for the electoral practice to reflect maturity and entrenchment of the Iraqi experience, indicated that the upcoming elections will shift Iraq to stability and all should bear their responsibilities.

His eminence pointed out the fourth challenge facing Iraq the challenge of state-building to crown the achieved victories, stressed the importance of competing on the basis of political programs away from political dichotomy, "which will benefit no one and will backfire on its advocates."

Regarding the status of agriculture, his eminence called for to attach importance to the agriculture for being the real and inexhaustible wealth of Iraq, stressed care provision, support and ease the suffering of peasants.
