

## Sayyid Ammar al-Hakim appreciates passing Speicher massacre martyrs law by the Council of Representatives

Head of the Al-Hikma National Movement, Sayyid Ammar al-Hakim, appreciated passing Speicher massacre martyrs law by the Council of Representatives by voting to bring justice to families of the victims of this incident, pointed out that the law was a demand of the Al-Hikma bloc presented to the Council of Representatives during previous and current council's sessions considering these crimes unique against humanity.

His eminence emphasized that the crime of Speicher remain memorized in noble consciences because its cruelty and atrocity, the lives of thousands of young Iraqi were taken by the treacherous hatred during the setback of June 2014, urged concerned parties to reveal details and expose perpetrators and bring them to justice.
