

Sayyid Ammar al-Hakim: We condemn all forms of external interference in the Iraqi affairs and Iraqis are able of mending their situation

Head of the Al-Hikma National Movement, Sayyid Ammar al-Hakim, emphasized that "the principle of "Iraq for the Iraqis" is a fact that the sons of this noble people have struggled and offered blood, tears and great sacrifices for their pride and honor, they sons of one land with mutual destiny." and expressed his condemn to all sorts of external interference in Iraq internal affairs.

His eminence explained that the Iraqis are able to address their problems through their constitutional institutions."The current events including Iraqi public mobilization and the efforts of the three state authorities to meet the demands of the demonstrators, despite the need to do more, confirms the ability of Iraqis to mend their internal affairs without external interference.
