# Sayyid Ammar Al-Hakeem: International Quds Day, An Occasion to Evoke Palestinian Oppression and Its Just Cause

Sayyid Ammar Al-Hakeem, head of Al-Hikma National Movement, said on International Quds (Jerusalem) Day on Friday 7/5/2021, that International Quds Day is an occasion in which we invoke the oppression of beloved Palestine, its brotherly people and it’s a just cause rooted in living conscience, indicating in his tweet that it is an opportunity to renew the covenant with the number one cause of Islam and Arabs and to emphasize that the cause of Jerusalem and the dispossessed lands do not belong to the Palestinian people alone, but rather is the cause of Muslims, Arabs and free peoples as a whole, stressing that this matter is the beating heart and soul. No matter how intense the challenges evolve to, as it is the matter that unites and rearranges priorities, except that the International Day of Jerusalem represents A message that puts the international community before its responsibilities to stop the plans of confiscating the Palestinian land, pledging to the Palestinians to remain in line to support their just cause and we will not deviate from this legitimate approach.
