

Sayyid Ammar Al-Hakeem discusses medicine status in Iraq & next phase's syndicate role with the Pharmacists Syndicate Chairman

Sayyid Ammar Al-Hakeem, head of the National State Powers Alliance, met with the Pharmacists Syndicate in Iraq Chairman Dr. Mustafa Al-Hiti and his accompanying delegation on Sunday, October 3, 2021, and discussed the developments of the health file and the status of medicine in Iraq as well as the developments of the Corona pandemic file and the vaccination campaign in Iraq, where His Eminence emphasized the importance of supporting the union, involving it and consulting it on detailed issues related to health and medicine.

His Eminence called for the support of colleges of pharmacy throughout Iraq, stressing the importance of controlling drug prices, limiting their disparity, and adopting drugs from genuine international origins.
