

Sayyid Ammar Al-Hakeem receives Al-Khanjar, stresses public common interest over personal

Sayyid Ammar Al-Hakeem, head of the National State Powers Alliance, during receiving the head of Al-Azim Alliance, Sheik Khamees Al-Khanjar in His Eminence office on Tuesday, October 19, 2021, discussed the developments of the political scene and the results of the elections, where H.E. affirmed the necessity of reviewing all of the complaints submitted by the political powers, candidates, and the followers of the legal and peaceful procedures. H.E. held every one responsible of triumphing Iraq's interest over all of the personal interests.

His Eminence indicated that these elections were made to address the political crisis Iraq has witnessed in 2019, so the results of the elections must promote the new political aim and prevent a new crisis. Moreover, H.E. stated that new political crises put the people's interest at risk, where numerous national and international rights await the forthcoming house of representatives.
