

Sayyid Al-Hakeem discusses service and agrarian & service reality with Diwaniya Governor

Sayyid Al-Hakeem, head of the National State Powers Alliance, met with Diwaniya Governor, Mr. Zuhair Ali Shaalan on Saturday, November 20, 2021, and emphasized improving service reality and the necessity of having a state budget that can address the deprivation of this province. His Eminence illustrated the strong points of the city one of which is agriculture, as Diwaniya represents the food basket of Iraq and the region, if and only if it was invested. H.E. called to improve the agrarian reality and support farmers in obtaining their financial rights, as well as using modern farming machinery which can improve production and save time and energy.
