

## Sayyid Al-Hakeem emphasizes social protection, decent living for those who need

Sayyid Ammar Al-Hakeem, head of the National State Powers Alliance, emphasized the importance of social protection for the poorer strata and elevating their living standards to guarantee them a decent life, also stressing that decent living must reach those who deserve it most. His Eminence also called to take care of training centers, continuously enhance them, update their curricula, and follow up on the outcomes. His Eminence also stressed supporting small projects to ensure the sustainability of production in these projects and the purpose of creating them. During His Eminence meeting with the Minister of Labor and Social Affairs, Mr. Adil Al-Rikaby today, 11 January 2022, H.E. affirmed the importance of differentiating between drug abusers and drug dealers. The latter is a perpetrator. Yet, the other is sick and requires treatment, rehabilitation, and integration into society. We've illustrated that the ministry must assume its role in this matter.
