

Sayyid Al-Hakeem condemns Green-Zone bombing, endanger civilians & diplomatic missions

Sayyid Ammar Al-Hakeem, head of the National State Powers Alliance, condemned bombing the Green-Zone and the diplomatic missions and endangering civilians and properties.

“Bombing the Green Zone, endangering civilians and their properties, targeting diplomatic missions within it is an act that is condemned and denounced.” His Eminence tweeted on Thursday, 13 January 2022, illustrating that it might bring a storm upon the sovereignty of the state and destabilize its global public image. Especially nowadays our homeland is in the midst of a sensitive and perilous political change, these actions can only add more confusion and complications.
