

## H.E Republic's president congratulates Sayyid Al-Hakeem over his reelection as head of Al-Hikma National Movement

His Eminence, Sayyid Al-Hakeem received His Excellency, Dr. Barham Salih today evening, His Excellency congratulated His Eminence, Sayyid Al-Hakeem over his reelection to be head of Al-Hikma National Movement and the success of the works of the second general conference of the general assembly, where his eminence was reelected to lead the movement and the elections of the political office.

The two parties discussed the developments of the political scene, where the necessity of putting the public interest before any other personal interests was reiterated, also the resolution of the political crisis through dialogue and sustaining communication to converge the views.

Sayyid Al-Hakeem reiterated his position from the next phase to be positively neutral, illustrating that Al-Hikma will not partake in the next government, but will also not oppose it, and will stand with the government on every step that will achieve the aspirations of the Iraqi people.

His Eminence called to address corruption away from political targeting, dry it from the source and address the environments that it's active in.
