

Sayyid Al-Hakeem discusses to provide appropriate ground for displaced return with Yazidi component delegation

Sayyid Al-Hakeem, head of Al-Hikma National Movement, met with a delegation of the honorable Yazidi component headed by Sheik Ismat Tahsin Bek, Special Representative of the Emir Hazem Bek, Prince of the Yazidi Community, 29/3/2022, and exchanged with them views on the developments of the political scene in Iraq and the region and the reality of the liberated areas.

His Eminence stressed the importance of returning the displaced, reconstructing the liberated cities, and providing the appropriate ground for their return, and we said the importance of social and economic treatments to these areas so that these treatments contribute to the restoration of security, the return of life, and the provision of job opportunities, while H.E. renewed his stance with the people of the component and demanding their rights and the rest of the components that suffered from ISIS terrorism.
