

Sayyid Al-Hakeem chairs Al-Hikma National Movement opinion committee's periodic meeting

In the periodic meeting of the opinion committee of Al-Hikma National Movement on 4/2/2022, Sayyid Ammar Al-Hakeem congratulated the attendees on the advent of the blessed month of Ramadan. H.E. discussed with them the developments of the political scene and its outcomes and the results of the meetings taking place between political powers as well as the expected scenarios in light of the stifling political impasse that is taking place in the country. His Eminence explained the nature of the role of Al-Hikma in bringing the views of all parties closer, and the need to maintain dialogue to dismantle crises and bring visions closer. H.E. referred to the results of his last two tours in the provinces of Basra and Diwaniyah and the people's desire to form a government capable of achieving the aspirations of the Iraqi people and providing services and job opportunities, while he also discussed with members of the Opinion Council The developments of the regional and international political scene and the extent to which Iraq was affected by these developments, expressing his happiness at the presence of signs of dismantling the region's crises.
