

Sayyid Al-Hakeem congratulates Iraqi Youth League on its emergence, calls to integrate generations

Sayyid Al-Hakeem, head of Al-Hikma National Movement, congratulated the Iraqi Youth League on its emergence, expressing his support for any formations concerned with youth at the political, social, and economic levels.

His Eminence reiterated that the youth group represents the largest segment of Iraqi society on 5/5/2022, and the importance of visions and programs to note the nature of this group, its interests, and ways to activate it. H.E. also stressed the need for integration with experienced people and benefiting from their experiences.

His Eminence indicated that Al-Hikma is one of the first political forces that embraced the importance of the youth group and worked to empower them and develop their capabilities, adding that investing in youth is a long-term investment that needs activation and rooting.
