

Sayyid Al-Hakeem: Preserving the political representation of the social components is an essential gateway to maintaining balance and achieving stability

In the host of Sheikh Waleed Hatem Saad Radi Al-Shimmari on 12/5/2022, Sayyid Ammar Al-Hakeem, head of Al-Hikma National Movement, had a stance with another genuine group of Sheikhs and dignitaries in the city of Najaf to exchange views on the general political affairs and the social, economic and service reality of the city, while His Eminence returned to memory to the immortal stances that brought us together with the Sheikhs, dignitaries and the people of Najaf al-Ashraf in combating dictatorship and terrorism in its various forms.

His Eminence indicated that the imbalance that resulted in the election results created a state of instability, stressing the importance of maintaining balance by preserving the representation of social components, especially the largest social component whose representation must go in line with its size, status, and influence, stressing the importance of this representation as an inevitable entry point to achieving stability.
