

Sayyid Al-Hakeem discusses Kirkuk's security, economic reality with Governor

Sayyid Al-Hakeem, head of Al-Hikma National Movement, met with the Governor of Kirkuk, Mr. Rakan Al-Jubouri, 18/5/2022, and stressed that success in Kirkuk is an important gateway to achieving success throughout Iraq, describing Kirkuk as a miniature Iraq, and it is necessary to attend all components in planning the future of the province and contributing to its construction.

His Eminence said that terrorism still poses a security threat, which requires addressing soft areas in the province, indicating that these treatments require social, economic, and development measures.
