

## Sayyid Al-Hakeem meets Defense Minister, stresses diversifying armament sources importance

Sayyid Al-Hakeem, head of Al-Hikma National Movement, met with His Excellency the Minister of Defense, Mr. Juma Inad on 16/10/2022, and discussed the security situation in the country and the role of the military institution in perpetuating operations to strike terrorist dens, maintaining high preparedness, and proactive operations.

His Eminence illustrated that terrorism has become a security challenge after it was a military challenge through the efforts and the role of the military institution, stressing that this requires plans on the level of this challenge through pre-emptive strikes on terrorist dens and preventing them from targeting citizens.

His Eminence stressed the importance of armament and the importance of diversifying its sources and called to pay extra attention to the members of the security forces, meeting their needs and providing them with logistical support.
