

Sayyid Al-Hakeem: targeting Al-Bu Bali village is a demonic plan to target security

Sayyid Ammar Al-Hakeem, head of Al-Hikma National Movement, considered the attack on Al-Bu Bali village is a demonic plan to disrupt security.

His Eminence tweeted on 20/12/2022, "A few hours past the painful security breach in Al-Hawija, yet another massacre to be added to obscurant terrorism's criminal record. The blood gangs have carried out an attack on the outskirts of Al-Bu Bali village in Al-Khalis District, leading to the martyrdom and injury of several civilians.

The recurrence of these breaches in a short period indicates a demonic plan aimed to disrupt the security file".

H.E. stated that this requires extra caution and vigilance to end criminal gangs with conclusive preemptive operations and prayed to Allah to have mercy for the martyrs, patience and solace for their relatives, and a speedy recovery for the wounded.
