

Sayyid Al-Hakeem calls to build modern housing complexes, to link to capital through high-ways

Sayyid Ammar Al-Hakeem, head of Al-Hikma National Movement, met the Minister of Construction, Housing, Municipalities, and Public Works, His Excellency Mr. Bangen Rekani, and listened to the ministry's plans for the next year on 28/12/2022. His Eminence affirmed the importance of moving in two directions. The first is construction. The second is to provide housing by constructing modern complexes in vital areas and connecting them to the Capital with highways to ease traffic to the city center. H.E. stressed coordinating with the mayoralty of Baghdad and other ministries to construct roads and bridges and address the obstacles in legal ways. H.E. affirmed that providing services such as constructing safe bridges and roads is a public benefit, thus requiring all efforts to ease the movement of traffic, illustrating that services such as public roads are a public benefit that requires all efforts.
