

Sayyid Al-Hakeem supports Government to provide services, jobs

On the first station of the second day of His Eminence's visit to Wasit, the goodness governorate, Sayyid Ammar Al-Hakeem, head of Al-Hikma National Movement, met Sheikh Sukkar Hatem Al-Drei'I head of Al-Drei' clan, on Thursday, 23/2/2023, along with several sheiks and dignitaries of the genuine clan, recalling important stations in Iraq's history in which Al-Drei' had an effect. H.E. blessed the blessed birthdates of the Pure Imams "PBUT", and stressed the importance of building Iraq, realizing its aspirations, and transforming it into a successful icon in the region and the world.

His Eminence indicated that Iraq is making great strides toward stability and service delivery and is now closer than ever to embark on its aspirations. H.E. stated: "This is due to Iraq's overcoming the many and varied crises that it underwent."

His Eminence called to dedicate attention to agricultural realities, support farmers, and provide modern irrigation systems to maximize production and rationalize consumption. H.E. reiterated that his support for the government, while not participating in it, stemmed from the need to give the Government an opportunity to provide services to the people and to provide jobs. Iraq has a great opportunity to take advantage of security stability, financial abundance, and international and regional perceptions of Iraq's stability.
