

Sayyid Al-Hakeem calls for good water management, support farmers with modern irrigation

Within the framework of His Eminence's visit to Wasit Governorate, at the guest place of Quraish clans at the guest place of Sheik Jabbar Obeid Al-Farhood on 23/2/2023, Sayyid Ammar Al-Hakeem, head of the Al-Hikma National Movement, met several sheiks and dignitaries, congratulating them on the advent of the great month of Shaban and the birthdates of Ahl Al-Bayt ("PBUT"), and indicating the challenges that faced Iraq and how it overcame in a record time.

H.E. illustrated that the political system is accumulating positives, making everyone else look at Iraq with respect and admiration for its achievements, despite the harsh challenges it endured and faced. H.E. called to spread positivity and optimism, while affirming the importance of agriculture, adopting modern irrigation technology to get the maximum out of the water, good management of water doubles the yield, saves water, and reforms agricultural lands.
