

Sayyid Al-Hakeem: government real indicators to fight corruption, provide services

In Al-Wihda district, in Al-Madain, at the guest place of Al-Tawal Al-Hasanien Sayyids, the guest place of Sayyid Mahdi Al-Taweel, Sayyid Ammar Al-Hakeem, head of Al-Hikma National Movement, met several Sayyids, sheiks, and dignitaries on 10/3/2023, H.E. reiterated congratulations to them on the auspicious births of Ahl Al-Bayt "PBUT" and the birth of the awaited Imam "may Allah hasten his appearance".

His eminence referred to the connection between Iraq and the historical movement, the relationship between Iraq and the Imam Mahdi's reform project that is based on justice and reason, explaining that Iraq was subjected to internal and external agendas that tried to obstruct and target the Iraqi experience and abandon the Iraqi democratic project and that Iraq has overcome many challenges at the political and social level.

His Eminence called for the spread of positivity, optimism, and perception of reality compared to what it was, where major developments occurred, including political stability and listening to views among the parties. H.E. reaffirmed his support for the Government, stressing that it holds many success indicators, including fighting corruption, service delivery, the vision, and sincere intention to invest the available potential in the service of citizens.
