

Sayyid Al-Hakeem: unjust who stops worshipping Allah and the Holy Quran

On the second Ramadan lecture on 27/3/2023, His Eminence continued his speech on the right of hand as it was mentioned in the Letter of Rights of Imam Zayn Al-Abidin bin Ali bin Al-Hussein "PBUT" and reached the testaments of injustice in dealing with the right of hand as there was eighteen of them.

Sayyid Ammar Al-Hakeem, head of Al-Hikma National Movement, indicated in his research on the testaments of injustice and how the Holy Quran mentioned them by describing their deeds, personalities, and or people and groups. H.E. illustrated that the Quran spoke of the characteristics of the unjust which are refraining from worshipping Allah and falsifying the holy Quran, as well as making up false stories about Allah, standing in the way of those who want to follow the path of Allah, and denying what is right. Those are troublemakers and stir differences between people.
