

Sayyid Al-Hakeem: Iraq's genuine clans are faithful to the preservation of national solidarity

Sayyid Ammar Al-Hakeem, head of Al-Hikma National Movement, illustrated that our genuine Iraqi clans are more dignified, and their pride, loftiness, vigor, dignity, and prestige will not be undermined.

His Eminence tweeted on 27/3/2023 “Our genuine Iraqi clans are more dignified, and their pride, loftiness, vigor, dignity, and prestige will not be undermined. Their history tells the generation of great sacrifices, loyalty to religion and belief, dedication to the homeland, following the religious reference, and sincerity when preserving national solidarity. Any harm to its clean and pure history is unacceptable.

A tribute to our genuine clans in the north, east, west, and even the south.”
