

Sayyid Al-Hakeem: Aziz Al-Iraq was unique, giving, distinguished figure

In the third Ramadan lecture, 28/3/2023, on the anniversary of the departure of Aziz Al-Iraq, Hujjet Al-Islam and Muslims, His Eminence Sayyid Abdulaziz Al-Hakeem “may Allah sanctify his soul”, Sayyid Ammar Al-Hakeem, head of Al-Hikma National Movement, stated that Aziz Al-Iraq was a unique, quality-oriented, giving, and distinguished personality.

He continued to speak on the right of hand in the context of his explanation of the letter of rights of Imam Zayn Al-Abidin Ali bin Al-Hussein "PBUT" which is a metaphorical meaning of the consequences of good or bad actions of hand, including injustice. His Eminence continued on the testaments of injustice in the Holy Quran, including luxury, immersion in this world and its seductions, referring to the ninth testament which is embodied in following one's desire, as well as the loss of chastity in addition to reluctant, disobedient, disbelieving deviants, and ingratitude, in addition to blasphemy, allegiance to infidels and bandits. All of these represent testaments of injustice according to the Holy Quran.
