

Sayyid Al-Hakeem: unjust' punishment; denial of goods, mortality in hell, hearts sealed

In the seventh Ramadan lecture on 4/4/2023, Sayyid Ammar Al-Hakeem, head of Al-Hikma National Movement, continued on the letter of rights to our imam Zayn Al-Abidine Ali bin Al-Hussein "PBUT" and ended on the metaphorical meaning of the right of hand and the consequent act of good or evil. His Eminence said that injustice was a clear impact on the hand, and spoke of the testaments of unjust in the Holy Quran, as it once calls them by their description and once by their personality and groups. H.E. reached speaking of the groups that are called by the Holy Quran unjust, including Companions of the Rass and Companions of the Wood, who both are the people of the Prophet of Allah Shuaib "May Allah bless him and our prophet and his family and grant them peace". The twelfth testament is represented by the Companions of the North according to the Holy Quran.

Then H.E. moved to another topic of injustices, which is their punishment according to the Holy Quran:

- 1- Denying them goods that are ok to others represents a punishment for unjust due to their oppression, lies, and making up false stories about Allah Almighty.
- 2- Mortality in Hell
- 3- Sealed hearts
- 4- Torment of the afterlife.
- 5- Torment of the heavens.
- 6- Fed Zaqqum "the deadly fruit" which is a tree at the bottom of hell, the fruits come out as heads of the devil.
