

Sayyid Al-Hakeem condemns Al-Aqsa worshippers attacked by Israelis

Sayyid Ammar Al-Hakeem, head of Al-Hikma National Movement, condemned the sinful attack of the Israeli occupation forces that tried to remove peaceful worshippers with brute force from inside the Southern Prayer Hall in Al-Aqsa Mosque on 5/4/2023.

His Eminence tweeted "We condemn the sinful attack of the Israeli occupation forces that tried to remove peaceful worshippers with brute force from inside the Southern Prayer Hall in Al-Aqsa Mosque on a blessed month like this. We consider this a step further in violating Muslims' sanctities and an outrageous violation of the right to religion." H.E. called upon the Organization of Islamic Cooperation, the Arab League, religious and political events, and free people to condemn this attack and ask the UN and International Security Counter to have a firm position when protecting our patient, fasting Palestinian people and their legitimate rights.
