

Sayyid Al-Hakeem calls to adhere to Supreme Religious Reference, rites, and clan's trilogy that saved religion and Iraq

During his visit to the Jafar Al-Tayyar for Popular Mobilization Forces Rehabilitation Centre on Friday, 5/5/2023, Sayyid Ammar Al-Hakeem head of Al-Hikma National Movement, recalled those great sacrifices and expressed his pride in them, stating that these sacrifices scrambled the malevolent schemes.

His Eminence confirmed that ISIS was an existential challenge and planned to plunge Iraq into limitless chaos. It was the reference fatwa and thus the formation of the popular mobilization thereafter that upended the equation and declared victory, stressing the adherence to the trilogy that has preserved Iraq throughout history and the various challenges, stating that this trilogy is represented by the blessed religious reference, genuine Iraqi clans, and Husseini rites. H.E. called to redress the wounded, being wounded is a pride and honor in life, and a massive reward in the after.
