

Sayyid Al-Hakeem calls Al-Hikma's sons to take pride in moderation project

In Basrah, the governorate of giving and sacrifice, Sayyid Ammar Al-Hakeem, head of Al-Hikma National Movement, met a group of several organization leaders of Al-Hikma National Movement in the governorate on 5/5/2023 and lauded their position in defending the city of Basrah and attending the events such as the 25th Gulf Cup.

His Eminence called to take pride in the moderation and mediation project and disregard targeting, defamations, questioning, and distrust, stating that Al-Hikma project has won by a commitment to the language of moderation and having a political power adopting it after mocking it, using it to attack Al-Hikma, and calling it a weak approach and giving up rights.

H.E. indicated that Iraq is getting better and is on the right track while also accumulating positives, calling to not go after the public orientation on every occasion, as it doesn't necessarily mean positive orientation, especially in light of programmed media campaign that seeks to mislead the public opinion.
