

Sayyid Al-Hakeem warns against schemes to target Iraqi society by targeting religious, social, tribal, cultural symbols

In Abu Ghraib district (Al-Ma'idi district), Sayyid Ammar Al-Hakeem, head of Al-Hikma National Movement, met on Wednesday, 21/6/2023, a gathering of sheiks and dignitaries of the Bani Tamim tribe and Abu Ghraib district, where H.E. praised the sacrifices of the people of the district from all components and their run to answer the call of reference and confront terrorism, indicating the presence of Bani Tamim at all the turning points of the history of Iraq in support of its people, future, and dignity.

His Eminence stressed that the Iraqis faced terrorism with all its titles and it was a difficult challenge, as a large number of terrorists from eighty countries entered Iraq. H.E. pointed out that the terrorists were entrenched behind the Holy titles and cut religious texts to serve their deviant faith, and also stressed confronting terrorism intellectually in support of Islam, which was hijacked by terrorists.

H.E. also explained that Abu Ghraib is safe with the sacrifices of its sons and brothers from all provinces, pointing out that the stability of Abu Ghraib is part of a general state of stability experienced by all cities and regions, calling to note the regional and international reading of the security and stability of Iraq, where there is a regional will for the stability of Iraq as a basis for the stability of the region. H.E. also pointed to community harmony and political calm, calling on everyone to thank Allah Almighty for the blessing of the current security and stability.

H.E. warned of agendas that seek to spread self-flagellation and ridicule everything, and also warned of a plan to empty Iraq of all its religious, political, tribal, and social symbols, and said that this plan targets the structure of Iraqi society, and held everyone responsible to address it.

H.E. called for supporting the successful official, encouraging him, standing by the positives, and talking about them, and also indicated that supporting the official is a necessity for him to provide more.
