

## **Sayyid Ammar al-Hakim visits His Excellency President Talabani at his Baghdad hospital**

Sayyid Ammar al-Hakim, head of the Islamic Supreme Council of Iraq (ISCI), visited on Wednesday, December 19, 2012, His Excellency President Jalal Talabani in the Medicine Town in order to receive assurances about the health condition of His Excellency.

His Eminence praised the role President Talabani played in firming democracy in New Iraq, pleading to Allah, the most Exalted One, the most Great, to bestow on him a swift healing because Iraq badly needs him.

It must be stated that Sayyid Ammar al-Hakim interrupted his Basra governorate tour to return to Iraq in order to check about the health condition of His Excellency President Jalal Talabani.
