

During the 3rd Night of Muharram, Sayyid Ammar al-Hakim: The Last Statement of Daash Is a Crystal Clear Kharijite Nasibi Phenomenon

Sayyid Ammar al-Hakim, head of the Islamic Supreme Council of Iraq, described the statement of the Islamic State of Iraq and the Levant (Daash) as crystal clear Kharjite Nasibi phenomenon in which they reveal the ugliness of their project which assigns Yazid as leader and Hussein (AS) as enemy, warning against Daash's thought, depicting them as the Nasibis of this age. He explained that Daash is accusing all Muslims of apostasy by declaring infidels Ahl-al-Bayt and the other Islamic sects which sympathize with the issue of Imam Hussein and love the prophet Muhammad (PBUH) and his household, saying the threats launched by Daash will only make the believers more determined to carry on the legacy of Imam Hussein (AS). This came during the 3rd night of the month of Muharram in the mourning assembly held in his Eminence's office in Baghdad on 7/11/2013. Sayyid al-Hakim pointed out to the direct relation between faith and activeness, saying Hussein (AS) is the holder of the divine

project and its value since he is the extension of prophets and the project of the last one (PBUH). His Eminence maintained that the insight enables men to know the facts and take the right decisions, saying Sayyida Umm al-Banin was the symbol of the woman blessed with insight, since she adhered to the project of Hussein (AS), as was Zaynab (AS) through the attitude she took in the 10th day and thereafter. He added that women have a role in all the human projects.
