

At the Celebration Held by the “I am Hussaini” Entity on the Occation of Eid Al Ghadeer, Sayyid Ammar Al Hakim: Our Concern about the Affairs of thePeople and Community and the Service of the Country and Citizens is Linked to the Kernel of the Epistolary

Sayyid Ammar Al Hakim, head of the Islamic Supreme Council of Iraq, stressed that politics means leading and managing the community and serving the country and the citizens, which is linked to the epistolary project. He indicated that the completion of religion and the Lord's satisfaction with Islam were reached when Ali (AS) was informed of his Wilaya on Eid Al Ghadeer. This came in his eminence's speech delivered at the celebration held by the “I am Hussaini” entity, on the occasion of Eid Al Ghadeer in the evening of Friday, October 10, 2014. His eminence also assured that this step was as significant as the effort made by the Messenger of Allah (pbuh) for twenty three years. It also shows, he added, that Islam is the religion of life, the religions of the State and the community, for all divine legislations retain if there is a right leadership of the divine project. Furthermore, his eminence pointed out that when speaking of Al Ghadeer, we should look at two aspects: one is Al Wali Ali ben Abi Talib and the second is the Wilaya, i.e. the origin of the practice and the political leadership, regardless of the leader who is Ali Ben Abi Talib (AS).
